

PRODUCT INFORMATION

TRANSMISSION LIFTER PASSENGER VEHICLE

RATED FOR RWD/FWD/AWD GVM <2,300KG

The TradeQuip "Made for the Trade" 500kg Transmission Lifter is designed for passenger Car transmissions. Features a universal mounting cradle that provides a 2 way tilt range and a manually operated hydraulic system with smooth hydraulic lift and descent. The hydraulic system also includes a bypass system to prevent over extension and accidental overloading. The sturdy and stable design offers safety and security when removing and installing large and heavy transmissions.

Features

- Designed for passenger car transmissions
- Base frame constructed of high-grade steel
- 2-Stage hydraulic lift
- High quality large diameter hydraulic cylinder
- Universal 2 way tilt cradle with safety chains
- Lead-free paint finish for a long-lasting finish
- Paint finish is oil, grease and dirt-resistant for easy cleanup
