

Product Code: **2104T**

**SCREW ACTION**

# MOTORCYCLE LIFTER

**500KG SAFE WORKING CAPACITY**

This TradeQuip "Made for the Trade" Motorcycle Lifter Support Stand has a safe working capacity of up to 500 kg. It is designed to elevate motorcycles, ATVs, ride-on mowers or snowmobiles to make repairs and maintenance easier and more comfortable.

Our TradeQuip scissor style support stand is suitable for either a motorcycle lift or on the floor. The top of the platform has two sliding "U" shaped supports enabling the lifter to hold motorcycle subframe down tubes. Adjust the height of the scissor mechanism by rotating the screw adjuster manually.

#### FEATURES

- Designed to deliver the ideal lift for use with motorcycles, ATV's, tractors, personal watercraft, and snowmobiles
- Lifts back wheel off lift table for tyre/wheel change
- Powder coated structural heavy duty steel construction
- Rotate the lead screw to adjust and raise the lift
- Bolt down lugs to prevent unwanted movement during use

**MADE FOR THE TRADE**
