MOBILE BLASTING KIT

37LITRE TANK CAPACITY

The TradeQuip "Made for the Trade" Mobile Abrasive Blasting Kit is perfect for a wide variety of surface preparation jobs such as removing paint, scale, rust and oxidation. Ideal for surface preparation on cars, trucks, machinery, steel, glass etching and much more. Features a 2.4m heavy-duty blast hose designed for long life and maneuverability. Durable wheels and built-in handle allow for easy transport. Simply add abrasive media and hook up to an air supply and you're ready to blast. Some assembly required. Note: TradeQuip Walnut Shells cannot be used in this mobile blasting unit.
