

PRODUCT INFORMATION

WALNUT SHELL MEDIA 16/18

6100 GRIT

The TradeQuip "Made for the Trade" Walnut Shell Blasting Media Abrasive is designed for use in conjunction with our TradeQuip Blasting Cabinets. Nut shells and other organic materials, don't cause anchor patterns, making them useful for removing dirt, grease, oil, carbon, scale, burrs and paint without changing the underlying substrate. Walnut shells can be an excellent choice for softer surfaces such as wood — they won't cause etching. Walnut shells are one of less abrasive blasting media you can use and are completely biodegradable.

Features

- Biodegradable environmentally friendly
- Fast removal of dirt, grease, oil and carbon from internal parts
- Used for general maintenance and cleaning paint rust free
- Works well on wood and won't cause etching or anchor patterns
- Ideal for preparation of aluminum, brass and sheet metal
