

PRODUCT INFORMATION

SCISSOR LIFT WORKSHOP TROLLEY

225KG SAFE WORKING CAPACITY

The TradeQuip "Made for the Trade" moveable, Hydraulic Scissor Lift Table can position and raise your work piece up to 710mm by simply pumping on the foot pedal to the desired height. Features include a hand release lever to safely lower a heavy piece of work and two locking swivel castors to ensure stability once the scissor lift table is shifted into position. This piece of equipment is ideal for any garage, workshop or parts warehouse dealing with heavy parts such as engine blocks, large cylinder heads, diff housings and transmissions!

Features

- Foot-operated hydraulic pedal
- Quick release hand lever for hydraulic release
- Heavy duty oil-resistant nonslip rubber mat
- Two locking heavy duty swivel castors
- Conveniently positioned handle for easy manoeuvrability
- Powder coated for extra protection
- Perfect for moving heavy parts to and from the vehicle.
