

PRODUCT INFORMATION

WORKSHOP TROLLEY

100KG SAFE WORKING CAPACITY

Heavy Duty TradeQuip "Made for the Trade" steel construction makes this workshop tool trolley with a sliding drawer with two shelves durable enough for moving tools and car parts. Easily handles loads up to 100kg. Smooth rolling composite rubber castors let you maneuver the workshop trolley without marring the floor. The drawer and deep shelves give you plenty of storage for your tools and parts. This is the perfect heavy duty workshop trolley for garages, warehouses and workshops.
