AIR/ HYDRAULIC

BOTTLE JACK

20 000KG SAFE WORKING CAPACITY

This TradeQuip "Made for the Trade" Air/ Hydraulic Bottle Jack is designed to operate pneumatically. The power of air makes it easy to lift farm vehicles, trucks, lawn mowers, heavy duty machinery, industrial construction equipment and more. With it's low profile design this 20,000kg heavy-duty air/hydraulic bottle jack is the perfect choice for a wide variety of uses. Use this workhorse with a 110-125 PSI rated air pressure supply to lighten the load and provide the fast, strong lifting power you need.

FEATURES

- Polished cylinders with die-cut threads
- Fabricated from hard-cast steel with heat-treated critical stress areas
- Unique cross-type forged release valve assures positive load control
- Built-in bypass protection prevents damage from over pumping
- Compact yet powerful Air Turbo motor
- Versatile "quick connector" air connection
- Two piece pump handle
- Convenient welded carry handle

MADE FOR THE TRADE

SPECIFICATIONS

- Safe Working Capacity: 20,000kg
- Minimum Height: 178mm
- Maximum Height: 328mm
- Hydraulic Stroke: 87mm
- Screw Extension Height: 63mm
- Operating Air Pressure: 110-125psi
- Air Fitting: 1/4"
- Gross Weight: 13kg
